Two Maidenhead Record Labels Join Forces

Where it's at is where you are and Line Out Records, two labels from Maidenhead have joined forces to release a compilation of music by Maidenhead based bands.

The aim of the CD is to give an outlet to both up and coming and established local talent.

They are looking for submissions from local bands and musicians of any style for possible inclusion. Please contact Maidenhead@LineOutRecords.com for details of where to send your CDs. They are aiming at having the CD released just in time for Christmas so please get submissions in no later than October 1st.

All contributing bands will receive 25 copies of the compilation to give away or sell.

The Recommended retail price of the CDs is £5.

The labels are also looking for sponsorship for the release from local businesses or other interested parties. Two sponsorship packages are available; the first being £150 in return for 50 copies of the CD to give away or sell, the second £300 for 100 copies, all sponsors will have their details and artwork included on the CD packaging and any associated promotions.

We are also interested in hearing from anyone interested in contributing services (e.g. photography, studio services, mastering, printing).

You can find out more about the labels at their respective websites <http://www.wiaiwya.com> and <http://www.lineoutrecords.com>. Both labels are independant record labels based in Maidenhead. WIAIWYA has been going for seven years releasing indie, hip-hop and electronica from around the world. Line Out Records have been working with local bands and music nights for 3 years.
